K-COOL

FEATURES

Extended life of Coolant is 5000 hours or 3 years, whichever is earlier.

Increases the engine operating life.

Provides excellent protection for all cooling systems and metal parts including aluminium.

Prolongs water pump seal life and eliminates gel formation.

Eliminates formation of hard-water scales.

Compatible with rubber hoses and other non-metallic parts of the cooling system.

Reduced maintenance cost.

Optimal performance in any ambient temperature.

Use K-COOL for all types of radiators.

K-COOL

AVAILABLE IN
1, 5, 10, 26 AND 210 LITRES

*Do Not Mix It With Water
